

Core Values at Sage Parts

- We stand behind our customers, products and services: responsibility, support and continuous improvement are the key words, which drive our work and attitude.
- We promote reactivity, diligence, and responsiveness in action and communication.
- We act with honesty and integrity, and treat fairly the people and partners whom we employ and deal with.
- We value open door communication and transparency.
- We promote an open mind attitude, welcome new ideas, and accept constructive challenge.
- We respect diversity and value the contribution of a multi-cultural spirit.
- We favor a medium and long-term approach rather than short term driven decisions.
- We value innovation, creativity and believe in the virtues of thinking "out of the box".
- We believe that management must be demanding, positive and nurturing, while caring about the development and training of our employees.
- We value employees' empowerment, which calls on their sense of responsibility.
- We are a lean organization, that looks for efficient and cost conscious solutions to achieve our tasks and promote benchmarking and experience sharing.
- We believe in work as an essential way to achieve success, and we aim at building a work environment, which fosters individual growth and personal achievement.
- We value a "hands-on" attitude throughout our organization, including management's mission of selectively getting into details as a sign of our commitment and deep involvement.

Anticipating needs, meeting demands. Reducing costs.
