RampTech® seats feature all necessary mounting configurations.

### ENGINEERED FOR ALL GSE RAMP USE

The RampTech® seat is a superior option to the standard seats available today. With ingress and egress kept in mind, as well as diverse climate and weather conditions, RampTech® engineered this seat to stand up to all GSE conditions.

Where most seats used on GSE have re-purposed from other industries, RampTech® is **Engineered for the Ramp** and for **GSE**.

### FEATURES INCLUDE:

- ✓ Enhanced vinyl to withstand friction wear
- ✓ Rounded edges for ease of ingress and egress
- ✓ Weather and UV resistant construction
- ✓ Better price, better design, and the **BEST VALUE**

Anticipating needs, meeting demands. Reducing costs.
