

SAGLE
PARTS

The logo features the word "SAGLE" in a large, bold, black, italicized sans-serif font at the top. Below it, the word "PARTS" is written in a smaller, bold, black, italicized sans-serif font. A vibrant red, curved banner or swoosh cuts across the middle of the logo, positioned behind the word "PARTS". The banner starts as a thin line on the right and tapers to a point on the left, creating a sense of motion and energy.
